THE STORY

Carlos Siqueira began his career at age 7 selling his mother's bread on the streets of Brazil — and rose to become a top sales executive and mentor to Fortune 100 companies like Xfinity, formerly Comcast. Named by **Tony Robbins** as "the Latino Tony Robbins," Carlos has spent over two decades guiding CEOs, executives, and entrepreneurs to billions in collective revenue — while building one of the top motivational podcasts on Apple, **The Carlos Inspire Show**.
